NBSRT Executive Highlights, Fall 2022

Your Executive has been busy…planning, preparing, studying. Here are a few items from October's Provincial Meeting, and from our November Executive meeting:

On October 24, there was a **day of meetings:** Executive, NBSRT Board of Directors, and NBSRT Branch Presidents – 3 separate meetings all on the one day! It was a day of business, discussion, planning, and networking – in-person, after all these years!
One particular item to file and remember: The 2023 AGM will be hosted by Central Branch in Fredericton, May 9-10, 2023!

Where we are going, and how… the **Strategic Plan** is in its final stages and has been shared with Branch Presidents - it is a living document, a roadmap.

Communication/Membership: Look for the **NBSRT flier** with the NBTPP (New Brunswick Teachers' Pension Plan) Newsletter. We are working diligently with communications/our on-line committee, and with our Branches, to Increase membership. Numbers do matter!

Networking continues, not only within our Province, but with the national and regional organizations too: ACER-CART (Canadian Association of Retired Teachers), and regionally, ECRTO (Eastern Canada Retired Teacher Organization). Our President, Bob, and First Vice-President, Noreen, are our NBSRT representatives with these groups.
